IF MOZART COMPOSED BLACK METAL, YOU WOULD CALL IT ...

## DRACO HYPNALIS – Imagination

- a superb technical atmospheric death/black metal with references to classical music composing style
- second album of renowned and frequently touring Czech band
- more than an hour of extensive progressive compositions

CROSSOVER GOTHIC JAZZ DEATH METAL

## PARASOPHISMA – A Variable Invariability ...

- there's complex philosophy in both the musical and lyrical expression of this respected experimental metal act
- death/doom with a number of elements ranging from flute melancholy to destructive metal riffs, melodic female voice to growling death metal
- 9 songs, booklet designed by the drummer/vocalist himself

SOCIOPATH METAL

## ABSURD CONFLICT – Point of Crisis / Live Crisis

- an anniversary vinyl release with studio and live sides
- technical melodic death metal with references to DEATH, DREAM THEATER, the Gothenburg scene and own self destruction
